Acknowledgement of Receipt of Funding Guidelines

I have read the excerpts of the requirements to earn funding.

I understand that if the "Funding Guidelines" requirements, as outlined in the Mandatory Club Leader Meeting packet, are not met, the club I represent will not be eligible to receive earned funds either partially or in full.

*I also understand that the Organization cannot meet on **Thursdays from 12n-1p.***

I acknowledge receipt of the Guidelines and I will keep them for future reference. I will also clarify any issues with the Treasurer of the Student Senate before spending.
