Collection 26

**Name and Location of Repository:**
Northwestern Health Sciences University, Greenawalt Library. 2501 West 84th Street, Bloomington, MN 55431. 952-885-5419. library@nwhealth.edu

**Title:** Mark E. Brewer Collection of Chiropractic Materials

**Dates**
Publication/creation dates: 1910-1984
Collection accumulation dates unknown

**Extent:** 1 oversized box, 1 ultrasound machine

**Name of Creator(s)/Collector(s):** Collected by Mark E. Brewer; some materials inscribed with Ralph E. Brewer

**Biographical History**

**Scope and Content**
The materials in this collection were gathered by Mark E. Brewer in the course of his chiropractic practice. Materials include notes and publications on chiropractic theory and practice, including continuing education materials, patient education publications, non-chiropractic manual therapy publications, and realia. Material publication/creation dates are 1910-1984. Most materials are original copies of grey literature or ephemera. One item is an ultrasound machine, a Medco-sonlator Twin.

**Conditions Governing Access:** None

**Physical Access:** Materials are housed in archival storage and may require advance notice for access. Older materials have sustained some damage and should be used with caution.

**Conditions Governing Reproduction and Use:** Copyright to these materials remains with the University. The reproduction, broadcast, display, public presentation, and other uses in any means or format of materials protected by copyright, beyond that which is allowed by fair use, requires written permission of the University. The user is responsible for ensuring permissions have been attained as necessary.

*Preferred citation format:* [Title and date of item]. Mark E. Brewer Collection of Chiropractic Materials, University Archives, Greenawalt Library, Northwestern Health Sciences University, Bloomington, MN.

**Languages and Scripts of Material:** English

**Other Finding Aids:** None
Custodial History: Collected and donated by Mark E. Brewer

Appraisal, Destruction, and Scheduling Information: None

Accruals: Accruals may occur but are not expected

Related Archival Materials: Later editions of Nimmo writings in Special Collections; Collection 11 – Realia.

Publication Note: None

System of Arrangement: Materials are arranged alphabetically within series.

Box 1 – Series 1: Chiropractic Theory and Practice, 1953-1984
This series contains materials relating to chiropractic theory and practice for use by practitioners and students.

Folder 1: Nimmo Receptor-Tonus, 1958-1962
  • See also later editions in Special Collections

Folder 2: Toftness (Brewer, Dr. Ralph), 1953-1984
