

UNIVERSITY LEARNING OBJECTIVES (ULO)

Students of NWHSU will develop skills in:

Communication

Demonstrate effective verbal, non-verbal and written communication skills in a variety of contexts, with emphasis on integrative and interprofessional activities.

Critical Thinking and Life-long Learning

Acquire the skills to effectively apply evidence-based knowledge for personal growth and continuing professional development.

Health and Wellness

Recognize the factors that influence health and wellbeing in personal and professional situations.

Civic Engagement

Promote quality of life through advocacy and community outreach with respect for diverse perspectives and people.

Ethics and Professionalism

Demonstrate integrity by using ethical and professional behavior in all endeavors.
