HEALTH PROMOTIONS ELECTIVES*
 T07-T09 Students are required to complete at least one of these elective (78xx level) courses to graduate.

E7801-A	HEALTH PROMOTIONS - Department of Transportation (DOT) Alcohol and Drug Testing Certification.- (Ms. Auppl) This module will meet and complete DOT requirements for training and demonstrating proficiency for becoming officially qualified and compliant for performing DOT drug tests and alcohol screenings. Participants will understand the rapidly growing over-all workplace testing industry and be able to respond to the demand for testing immediately upon completing this course and exam process. Pre-Requisites: Completion of the Trimester 1-6 Chiropractic Curriculum	**Hybrid** <i>In-person class and exam time will be determined during the trimester</i>
E7802-A	HEALTH PROMOTIONS - Seven Steps to Strong Posture: Implementing a Postural Awareness and Training Wellness Program. - (Dr. Osterbauer/Dr. Weinger) This course teaches concepts and skills necessary for a provider to communicate posture as an essential key to performance and active aging and to train the body towards stronger functional posture. Components of the course include clinical observations with digital photos, rehab exercises and learning practical individualized exercises that promote stronger posture. Pre-Requisites: Completion of the Trimester 1-6 Chiropractic Curriculum	**Hybrid** (June 30 - August 11, 2020) Week 1: Online - Module 1 - Tues. June 30, 2020 Week 2: July 7, 2020 - 1:00pm - 3:00pm in Room 27 (Lab #1) Week 3: July 14, 2020 - 1:00pm - 3:00pm in Room 27 - Module 2/3 Week 4: Online - Module 3 Week 5: July 27, 2020 - 1:00pm - 3:00pm in Room 27 (Lab #2) Week 6/7: Final Exam
E7803-A	HEALTH PROMOTIONS - Obesity: A Clinical EIP approach. - (Dr. Ratte) The primary objective of this course is for students to review various evidence based approaches to weight loss. Students will analyze select obesity research articles for relevance and validity. Patient case studies will demonstrate a variety of successful weight loss strategies. Student assessment is by an oral exam with the instructor. Pre-Requisites: Completion of the Trimester 1-6 Chiropractic Curriculum	**Hybrid** <i>for oral exam date arranged individually with instructor</i>
E7800-A	HEALTH PROMOTIONS -Developing a targeted audience presentation. - (Dr. Oyelowo) Students will prepare a presentation for the public on a public health topic of interest by sequentially developing a problem statement, performing an audience analysis, and developing message strategies. The final presentation will occur both in class and at university affiliated clinic. Prerequisite: Public Health	**Hybrid** <i>In-person class and exam time will be determined during the trimester</i>
