## Job Placement

NWHSU does not offer job placement services nor does it calculate job placement rates. We are required by some specialized accreditors to report graduates' employment information, as indicated below:

100% of A.S. in Radiation Therapy graduates report employment in their field within 12 months of graduation.

Medical Assisting, Medical Laboratory Technology, Medical Laboratory Science, and Radiologic Technology do not yet report graduate employment information due to the recent addition of these programs.
