

2022-2023 HEOA Consumer Information Disclosures

The United States Department of Education (ED) requires all institutions of higher education who receive federal student financial assistance to disclose certain information to consumers, such as students, prospective students, parents, and employees. This is done in accordance with the Higher Education Act of 1965 (HEA, as amended by the Higher Education Opportunity Act of 2008 (HEOA)). [Visit the HEOA site for more information](#)

Student Body Diversity

As of November 8th 2021, NWHSU enrolled 1089 students. The majority of students are enrolled full-time; 60% are female; roughly 48% of students report being white and 33% do not report their race and/or ethnicity and are thus “unknown”. During the 2020-2021 academic year, 120 students received Pell grants.

Federal Financial Aid Penalties for Drug Law Violations

NWHSU is committed to creating a safe and welcoming environment for students, employees, patients, and guests. [The drug and alcohol use policy](#) describes acceptable uses and penalties when the policy is violated.

In addition to campus sanctions and criminal penalties, a student who has been convicted of a [drug-related violation](#) under federal or state law can be disqualified for federal financial aid funding.

Those convicted of possessing illegal drugs will lose financial aid eligibility for:

- First offense – one year from date of conviction
- Second offense – two years from date of conviction
- Third+ offense(s) – indefinitely

Those convicted of selling illegal drugs will lose financial aid eligibility for:

- First offense – two years from date of conviction
- Second offense – indefinitely

Student Outcomes

Retention Rates

NWHSU measures cohort persistence as the proportion of students who start in their first term and are enrolled on census day and who remain enrolled until the census day of their second term. The university's Fall 2021 aggregated cohort persistence rate was 78.8%.

Graduation Rates

NWHSU measures completion rates by determining the proportion of students who are enrolled on census day of their first term and who complete their program within 150% of their program's time to complete. The university's Fall 2021 aggregated graduation rate was 71.8%.

Job Placement

NWHSU does not offer job placement services or calculate job placement rates. Some program pages may offer more information on related measures.
